Directions:

- In this scavenger hunt game, you'll explore a total of **11 locations**, starting your adventure at **THE HAVEN**.
- Each location has a sticker with a question. For example, the first question might ask: "What is your **i**dea of heaven?" Look for the highlighted letter in each question.
- Simply write down all the letters that are in different colours at each location. By doing this, you'll discover the **two** words formed by these locations.
- Once you have found the **two** words, answer the **two** questions in the box below to enter our **prize draw**. Answer **both** questions and we'll enter your name twice to increase your chances of winning! Don't forget to take a photo of your answers and email them to:
contact@thewritetrail.co.uk
